PROFILE SUMMARY

As a motivated and eager designer and animator, I seek an environment that challenges and fosters my growth. With a fresh perspective at the beginning of my career, I offer the opportunity for your team to shape and mold my skills to align perfectly with your company's goals. Inspired by my creative peers, I thrive in collaborative settings, valuing open discussions and thoughtful discourse around design choices.

WORK EXPERIENCE

Serious Point Games UK

2025 - PRESENT

Internship - Prop & Material Artist

- Six month internship. Provided consistent and on time assets and concept art. Worked closely with other departments like the modelling and production team.
